WELCOME

Pro-Pose founders Dan and Matt know what it takes to give you the very best in photo booth entertainment.

Since Pro-Pose was established in 2015 we have been part of hundreds of events, taken tens of thousands of amazing photos and created many awesome Pro-Posers (just check out our reviews on Facebook!)

We pride ourselves on our professional and personable approach. We are passionate about delivering the best bespoke photo booth experience, which is tailored to your event.

Whether you are organising that milestone birthday, the wedding of your dreams or a corporate event we understand...

We understand that any event takes months of planning and usually at considerable cost. Value for money and reliability are paramount. Your experience with the boys at Pro-Pose starts from the moment you book with us.

We will guide you through the entire process, and are always on hand to answer your queries. We will liaise with your venue take care of all the “behind the scenes” work, so your booth is set up in the appropriate location and ready to go on time with as little disturbance to you and your guests as possible.

We will also be in contact in relation to designing your bespoke templates, unique to your event... but more of that later.

THE BOOTH

We have two photo booths to choose from.

Both use the very best digital SLR camera and super fast dye sub printer.

Photos from both are printed within seconds and the quality is the very best in the business!

All we require from your venue is enough space and one regular electric plug.

VINTAGE BOOTH

For those looking for something a little more vintage and retro....the Pro-Pose team have designed and manufactured our very own Pro-Pose Vintage booth.

We have spent months perfecting this little beauty and we are proud to say the photos that it produces are amazing!

This booth is slightly smaller than the gloss white option holding a maximum of 5 persons.

Optional Photobook or guestbook dependant on Pro Pose package.

WHITE BOOTH

Our stunning white gloss booth is modern, classy and the elegant black back drop will set the scene for some awesome photo booth action!

The booth measures 1.3m (wide) x 2.3m (long) x 2m (high) and is big enough to hold 8 adults, perfect for those end of the night group shots.

Optional Photobook or guestbook dependant on Pro Pose package.

THE PHOTOBOOK

As part of your pro pose professional or platinum package you will also receive our in-house designed hardback coffee table or guestbook depending on package.

The photobook measures 21cm x 29cm and contains 60 glossy pages on which all the photos from your event will be printed.

The guestbook option allows your guests to write a short message next to their photo. A lovely keepsake of the day.

These books are extremely popular and they are a great great way to relive your special memories!
