Pro-Pose founder Dan knows what it takes to provide the ultimate in photo booth entertainment. Since Pro-Pose was established in 2015, our team has been a part of hundreds of events, capturing tens of thousands of amazing photos and creating countless happy memories for our clients (just check out our Google Reviews!).

We pride ourselves on our professional and personable approach. We are passionate about delivering the best bespoke photo booth experience, tailored specifically to your event. Whether you are organising a milestone birthday, the wedding of your dreams or a corporate event, we understand how important it is to get every detail right.

We understand that any event requires months of planning and often comes at a significant cost. Value for money and reliability are paramount. Your experience with the Pro-Pose team begins the moment you book with us.

We will guide you through the entire process and are always on hand to answer your queries. We will liaise with your venue and handle all the behind-the-scenes work, ensuring your booth is perfectly placed, set up on time, and ready to go with minimal disruption.

We will also be in touch to design your bespoke templates, unique to your event... but we'll share more on that later.

THE BOOTHS

We offer three unique photo booth styles, each fitted with premium DSLR cameras and ultra-fast dye-sublimation printers. Your photos are printed in seconds, ensuring the highest quality in the industry. All your venue needs is a suitable space and a standard power outlet. Add in a few Pro-Posers, and you've got the perfect recipe for unforgettable memories!

BEAU BOOTH

Meet the Beau Booth – a handcrafted masterpiece, designed exclusively for Pro-Propose Entertainment from the finest materials.

Compact yet elegant, it pairs the exceptional clarity of a professional DSLR camera with flattering beauty-flash lighting for picture-perfect results every time.

Choose from a classic white or sleek black backdrop, plus a range of stylish filter options, including timeless black-and-white.

Ideal for venues with limited space but high expectations, the Beau Booth is also perfect for capturing those epic, larger group shots.

VINTAGE BOOTH

For those who love a touch of nostalgia, our Pro-Pose Vintage Booth delivers pure retro charm.

Designed exclusively by the Pro-Pose team, this little beauty has been perfected over months to capture stunning, high-quality photos every time.

Slightly smaller than our White Gloss Booth, it comfortably fits up to five guests—perfect for cosy, laughter-filled moments. With its professional DSLR camera and studio-grade flash, the Vintage Booth produces flawless images with a timeless look.

If you're after that authentic vintage vibe, this is the booth for you.

WHITE GLOSS BOOTH

Sleek, modern, and effortlessly stylish, our White Gloss Booth is a true showstopper.

Its elegant black backdrop creates the perfect setting for spectacular photos, while its spacious design—measuring 1.3m wide by 2.3m long—comfortably fits up to eight adults.

Ideal for those epic end-of-the-night group shots, this booth is available with any of our Pro-Pose packages, bringing both glamour and fun to your celebration.

THE PHOTO BOOK / TRADITIONAL GUESTBOOK

Included in our Pro-Pose Professional Package is a beautifully designed hardback coffee-table photo book, created in-house and exclusive to Pro-Pose Entertainment. Measuring 21cm x 29cm and featuring around 40 pages, it showcases the very best (and sometimes the funniest!) moments from your event.

Choose our Platinum Package and enjoy our luxury traditional guestbook, where guests can leave heartfelt or hilarious messages alongside an extra copy of their photo. Our team ensures everyone gets the chance to add their personal touch. These keepsakes are cherished long after the celebration, offering a beautiful way to relive your special memories. Do you bring props?
